

### Hunter's Prayer

Oh Phoenix, Great Bird Of The Galaxy,  
one day I will rise with thee  
one day I will spread my wings,  
to climb the sky.

Oh Phoenix, ever-living creature,  
on the day of my departure  
I will be like a bird and fly  
to join thee.

Oh Phoenix, Great Mother Of The Universe,  
until then I will gladly serve  
all which is dear to thee  
until I die.
