

The Spaceman

I'm just a spaceman, I wanted to know
how deep is space, how far can I go.
Such a nice plan
no answer for man.
I'm just a spaceman
coming home again.

I'm just a spaceman, I travelled so far,
I saw many cultures, saw many stars
Saw sorrow and hate
saw love and pain.
I'm just a spaceman
coming home again.

I'm just a spaceman, but still I don't know
how deep is space, how far can I go.
There is more to see
just listen to me.
I'm just a spaceman
coming home again.
